EXPERIENCE

Associate, Product Development

Enquire AI

11/2022 - Present

Conceptualizing and testing critical features. Creating better integrations and software. Authoring product documentation, which was non-existent until recently.

FDI & International Trade Operator

Freelance

02/2021 - 01/2023

Established new channels for business in foreign direct investments and commodities, forestry and FMCG trade. Generated up to \$12m/yr international trade contracts. Key components: market due diligence, product space analysis, state subsidies advisory, lead generation and account management.

Junior Associate, Platform Data & AI

Enquire AI

09/2021 - 10/2022

Actively monitored product performance. Laid out data groundwork for the new product: Lumina, which attracted flow of investment and contracts. Provided key insights and helped establish AI bots for ensuring robustness of the marketplace, speed and uptime.

Cyber Security Researcher & Data Entry Lead

Krypton.Moscow

11/2019 - 06/2021

Took part in investigations and reported on more than 10,000 data breach incidents. Participated in establishment of AI systems for real-time cyber threat detection in dark web, which was subsequently sold to a government body.

CERTIFICATES

Frontiers in Digital Demographic Research (Max Planck Institute for Demographic Research)

11/2020 - Present
